Screen Shots of my result:

Login Page:

The screenshot shows a mobile application interface for a login page. At the top, there is a black status bar with white icons for signal, battery, and time (10:13). Below the status bar, the text "Username:" is followed by a white input field. Below that, the text "Password:" is followed by another white input field. A grey "Login" button is positioned below the password field. At the bottom of the form, there are two blue, underlined links: "Register" and "BMI Calculator". The bottom of the screen features a black navigation bar with three white icons: a triangle (back), a circle (home), and a square (recent apps).

Register:

The image displays two screenshots of a mobile application interface. The left screenshot shows a login screen with the title 'Please sign in' and fields for Username, Password, Confirm Password, Preferred Name, and Date of Birth. The right screenshot shows a registration screen with fields for Username, Password, Confirm Password, Preferred Name, Date of Birth, Email, Gender (Male/Female), and Telephone, along with a 'login' button. Both screens have a status bar at the top showing the time as 10:04 and various system icons.

Invalid Credentials:

The screenshot shows a mobile application interface for user registration or login. At the top, there is a status bar with various icons and the time 10:04. Below this, the app has a white background with a light gray border. The form contains several input fields: 'Username' (highlighted with a yellow border), 'Password' (with a yellow error message box above it saying 'Please fill out this field.'), 'Confirm Password\*' (with a placeholder 'enter the same password'), 'Preferred Name\*', and 'Date of Birth\*'. A keyboard is visible at the bottom, showing the 'the', 'I', and 'hi' suggestions. The bottom of the screen features a black navigation bar with three white icons: a triangle, a circle, and a square.
